

# KY10

Wheated Kentucky Straight  
Bourbon Whiskey

*In honor of the  
historical 10th registered  
distillery ever in Kentucky.*

Kentucky 10 is an approachable, easy drinking wheated bourbon. Wheat lends a sweet, soft character to this fantastic Kentucky born bottle. Distilled at 10 Distillery Rd., Owensboro Kentucky in DSP-KY-10. Originating in 1885 as the Green River Distillery, DSP-KY-10 has been through fire, Prohibition, multiple ownerships and a long dormant period before its resurrection to its former glory in 2016.

#### Mash Bill:

70% Corn

21% Wheat

92  
POINTS

GOLD MEDAL  
EXCEPTIONAL

Aromas and flavors of tart redcherry or red currant cough drop, candied pomegranate, pralines, and fresh cut oak with a full body and long finish that exhibits elements of spiced wood, caramel, honey and vanilla, orange marmalade on corn bread, and red stone fruits. It's a great choice to sip slowly and allow to develop as the flavors change over time.
